Dan,

My apology. We are completing all of punch list items and inspection from LACounty and Cal OSHA. ITA and their vendors are installing the communication and security system. We are applying for the Temporary Certificate of Occupancy this week. We are working closely with Cal OSHA as it is time consuming.

As of now, best estimate of completing the project is 3rd and 4th week. We'll have better estimate next week. I will keep you posted. Again, my apology.

Shashi Bhakta

Hi Shashi,

I haven't heard from you in a couple of weeks. Per my previous emails, the Councilmember is anxious for the pool to open on schedule, and has asked me to follow up.

We are now getting reporter requests regarding the opening. Please let me know.

Thanks!

Thank you, Shashi, for the quick reply. The Councilmember is anxious for the pool to open on schedule; can we assist with the Inspections in any way? Let me know whom our office can speak to at State/County to help speed things up; we are happy to do so.

Pool looks great - please let me know about the Inspections.

Hi Dan,

We are going to try but Inspection with the State and LA County health may need additional time. I'll have better estimate for you by end of next week as some of the critical water slide and pool start up issues are worked on. See attached photo.

Hi Shashi,

Things are looking good over at the Rec Center. Looks like the pool and sidewalks are almost done.

Are we still on target for a July 1 opening?

Thank you,
